Dear Peter,

A workshop has been organised to teach you the basic skills in the removal of foreign bodies. Each session lasts 1 hour and allows for tuition and practice. There will be 3 delegates per workshop to 1 tutor. The two tutors are experienced doctors working in eye casualty at the NNUH. WE hope to be able to run three, 1 hourly sessions in the course of the evening and would be most grateful for your cooperation in keeping to time.

Venue: NNUH Eye clinic

Date: Monday, 10th February

Time: 6:00 PM onwards

There will be limited spaces available, so places will be prioritised for those registered to provide the CUES service, and spare places can be allocated to those that don't. The ICB will pay for the former group, and there will be a £50 charge for others. HOWEVER ALL delegates will be required to provide a £50 deposit when booking, which will be returned to the CUES practitioners after attendance. Details for Bank Transfers are below.

Natwest
Sc 53-50-73
Acc Number 59539046

Please contact nwloccpd@gmail.com to book your place. Bookings will only be accepted if you provide your practice details and on receipt of the deposit.

Also: For those wanting to do the Glaucoma OSCES, please ensure that you book this via the WOPEC dashboard [HERE](#) ASAP. Because we don't anticipate running any more Glaucoma OSCES for the foreseeable, this is probably going to be the last opportunity to do them locally.

Best wishes

Elizabeth Bunn
